18:18:13 10/08/2011 - SPARKS J

On Saturday 10-08-2011 a Deputy was dispatched to Boggy Creek in reference to an animal problem. A pit bull dog was reported to have attacked another dog. The complainant's dog had minor injuries. The pit bull dog's owner was contacted and warned about allowing certain dogs to run at large. It was later learned that both sets of dogs provoke each other then fight. The pit bulls usually come out of the fights less injured because of their size. The pits were not a danger to other people. The responding Deputy was able to walk into the residence with the dogs and pet them. The owner of the pits stated she would be more cautious about letting the dogs out and she was in the process of installing an electric invisible fence. No enforcement action was taken. EOR
