On Tuesday, November 27, 2012 I (Sheriff Thomas Kerss) was contacted by the complainant, Lenard Sowell, who advised that a small coin purse containing his wife's driver's license, her insurance card (Blue Cross/Blue Shield) and her medicare card had either been lost or stolen. Mr. Sowell advised that he had accompanied his wife, Lutherine, to a doctor visit at Dr. Lehman's Office on the morning of 11/26/2012 and the information had been used at that appointment. Sometime after the information was presented to Dr. Lehman's office attendant (approximately 0700) and the time they returned home (approximately 0800)the purse and contents went missing. Mr. Sowell advised that he had thoroughly searched his vehicle and the home but had not located the items. He also advised that he contacted Dr. Lehman's office and reported the items missing. After the items were not located by the morning of 11/27/2012 he decided that he needed to report the information as lost or stolen in case someone came into possession of the items and attempted to used the information to commit identity theft.

Mr. Sowell was advised to contact the Texas Department of Public Safety for a new copy of her driver's license. He was also instructed to notify the insurance company and medicare to have new cards issued. Mr. Sowell was further advised to notify each of the three major credit reporting bureaus of the loss in case they detected new or unusual activity under Mrs. Sowell's name and personal identifiers.

No further action to be had at this time.
