*****Incident Report*****

On Saturday 03/29/14 at approximately 1915 hours I, Sgt. E. Garner was dispatched to the above location in regards to a reckless driver. I arrived at the intersection of CR 505 and CR 5051 and met with the complainant. The complainant was identified by a TX ID as Rodney Simpson W/M DOB 03/29/74. The complainant stated he was working in his yard earlier this evening when an older white Camaro came by his residence being driven at a high rate of speed and fish tailing in front of the complainants residence. The complainant stated the vehicle stopped and he told the man driving to please slow down are he would call the Law, due to his children and other children walked on the narrow roadway. The complainant stated the young man apologized and left. The complainant stated that a few minutes later another new white Camaro drove by at a very high rate of speed leaving the neighborhood. When the vehicle returned it stopped at the complainants residence. The female driving and told him if he was going to call the law on one person then he should call the law on every person. I was given TX LP DL8H299 and told that was the license number of the suspect vehicle. I left a voluntary statement to be completed by the complainant.

The complainant stated that his neighbor also observed the incident. I walked across the county road to 363 CR 505 and spoke with Christopher Quinn W/M DOB 11/04/93. Quinn state he observed a 2005 Camaro driving on the CR 505 at approximately 60 MPH. The witness stated the driver was endangering children who walk on the roadway. I left a voluntary statement to be completed by the witness.

I located the suspect vehicle at 603 CR 505. I spoke with Holly Svehla W/F DOB 12/02/62 and her son Evertt Miller W/M DOB 11/28/90 in the front yard of their residence. I was told that Everett was having vehicle problems and had been working on his older white car. Everett stated that a man flagged him down and asked him to slow down or the police would be call. Holly Svehla stated she went to the store and on her way back she stopped at the complainants residence and told him every one speeds on the road and he could call the law on everybody and told him to take her license number. Svehla stated she was not speeding and there was no one walking on the roadway.

I returned to the Quinn residence to pick up his voluntary statement and

Rodney Simpson came to my location to give me his statement. After reading both mens statement I asked what were the vehicles doing reckless besides possibly speeding. I asked were they people walking in the roadway that possibly could have been injured. Rodney Simpson took his statement back and added Driving recklessly mean that the guy was fish tailing and burning rubber on the road in front of my house.

I told the complainant the only offense that might have occurred was speeding and we could not prove that. The complainant became angry requested that I write a report and sent it to the County Attorney for review. This incident is inactive at this time and will be forwarded to the County Attorney at the complainants request. EOR EG/517
