

FOR IMMEDIATE RELEASE

HEADLINE: Get ready Nacogdoches, Texas!!! MenuRunners Restaurant Delivery Service opened up in your area November 7th, 2016

MenuRunners is the fastest growing restaurant delivery service in Texas is opening up in Nacogdoches. As such, demand for these services has increased exponentially across urban markets. This has driven the decision by MenuRunners team to expand into the Nacogdoches area. “We are extremely excited to serve the City of Nacogdoches and the community around it” says Doneric Norwood CEO of MenuRunners. “

MenuRunners services Texas communities by partnering up with local and chain restaurants to deliver its customers the best foods right to their door step. Their goal is to not be the big corporate business that comes in, but to get involved with the locals and gain their trust. “We are always looking to sponsor or volunteer our services at local events, charity events and school drives” says COO Max Whitemyer. Through serving the Nacogdoches community, we will also create jobs and help local restaurants boost revenue. Opening day was November 7th and now Nacogdoches will be able to order from local restaurants, other local chain and fast food restaurants. MenuRunners can’t wait to start this long standing relationship with the City of Nacogdoches and the local community.

About the Company:

MenuRunners is a Restaurant Delivery Service (RDS) holding company based out of Dallas, Texas. Targeted to become the largest holdings company of RDS’s in the South Central Region of the United States. Its intent is to group established RDS’s along with Franchisees and Licensees under MenuRunners portfolio and operate as one. [www.MenuRunners.com](http://www.MenuRunners.com)
