**Libraries Rock! Dance Party at Public Library**

(Nacogdoches, TX) – The first in the Nacogdoches Public Library’s Tuesday programs will be Libraries Rock! Dance Party on June 12th at 10:00 am. The entire family is welcome to join us for music and dancing!

“This year’s summer theme is Libraries Rock! Our library staff has done a wonderful job of thinking up programs for all ages related to “rock.” Some are music and dance programs, some are geology programs, and some are cooking programs. They are all a lot of fun and there’s something for every age group and interest.” said Mercedes Franks, Library Director.

To learn more about all the programs offered by the Library, Recreation Center, and Historic Sites, pick up a copy of the Summer 2018 Activity Guide or visit the library’s website at [www.ci.nacogdoches.tx.us/library](http://www.ci.nacogdoches.tx.us/library).
