

Freedom Fest 2018 in Downtown Nacogdoches

Fourth of July Fun & Fireworks

NACOGDOCHES – Games, music, water slides, food and fireworks will all be at this year's Freedom Fest 2018, which is set for July 4th in Festival Park near downtown Nacogdoches. The Nacogdoches Jaycees and the City of Nacogdoches are planning for this annual family event to be the biggest yet, with a fireworks show that will be higher in the sky than ever before.

Community members will be able to compete in a Washers Tournament or a Chipotle Burrito Eating Contest. Food and toy vendors will have lots of options for staying cool and filling appetites, and kids can enjoy waterslides and bounce houses in the Head Pediatrics Kids Zone. Music will be provided throughout the event by a live DJ on the CBTx stage.

Badders Law Firm has made this free community event possible by being the title sponsor, and will have "Fireworks Glasses" to hand out to the first 1000 attendees.

The event begins at 5pm with the Kids Zone, followed by Washers Tournament at 6pm, and Burrito eating contest at 6:30pm. Fireworks begin right after dark, and will be radio synced to music provided by 103 The Bull for listeners all around the show's display.
