Children's Events at the Nacogdoches Public Library

(Nacogdoches, TX) – The Nacogdoches Public Library is hosting several children’s programs this week. The week begins with a new bi-monthly program, Under 6 Experience, on September 23rd at 2:00 pm. These play based programs encourage sensory exploration and are offered the 2nd and 4th Monday of each month.

The library also offers weekly Story Time and Open Play on Wednesdays beginning at 10:00 am. Story time offers a wonderful time for young children to make friends, develop valuable pre-reading skills, and have fun.

The week will conclude with a Cardboard: Maze Challenge on Saturday, September 29th at 2:30 pm. Children and their families are invited to come build a giant-size maze from cardboard and duct tape.

All the children’s programs for this week are free and no registration is necessary. For more information, please contact library staff at 936-559-2970.
