Youth Business Fair at the Nacogdoches Public Library

(Nacogdoches, TX) – The Nacogdoches Public Library invites youth entrepreneurs, ages 12-17 years, to a Youth Business Fair on July 30th at 5:30 pm.

The public library has hosted a series of computer and business skills courses at the Boys and Girls Club of Nacogdoches and the library. Participants have learned the basics of getting started with a business, computer skills, and research skills. Now those participants and other youth can come to the library and display their business idea, service or product. This is a great opportunity for youth to reach out to potential customers and gain valuable experience in communicating with adults.

To reserve a spot for your youth or for more information, please contact Mercedes Franks at (936) 559-2945.
