Zoom for the Holidays- Nacogdoches Public Library

(Nacogdoches, TX) – The Nacogdoches Public Library will host *Zoom for the Holidays* to help family members and friends connect one another virtually since many people are not traveling for the holidays due to concerns about the pandemic.

“Many people have heard of Zoom and Facetime, but not everyone is familiar with how to use those apps or has a device to use. The library staff will facilitate virtual visits by providing the space, device and staff to assist with connecting a Nacogdoches resident with their friends and family members elsewhere,” said Mercedes Franks, library manager.

Zoom for the Holidays will take place on Monday, November 23rd from 12:00-3:00 pm and November 24th from 7:00-8:30 pm. Due to the need to coordinate the visits with family members, interested participants must reserve a session by Thursday, November 19th. Spanish-speaking library staff are available to assist with the program. Please call (936) 559-2970 to register.
