On Sunday morning 11-19-2023 NCSO Deputies were dispatched to Hwy 59 North in reference to what was believed to be a sick call. However, persons on-scene in a dating relationship were arguing over separating personal property upon arrival. The man on scene reported having high blood sugar levels but he refused EMS. Deputies were told high blood sugar levels made the man confused about what property was actually his. He was given a ride to a friends house down the road who could help him get medication when a local pharmacy opened. Both parties were given options for means to separate tangible property. EOR
