On Thursday, April 30, 2026, deputies made contact with a subject who reported that an animal had been eating plastic components on the subject's vehicle. Deputies inspected the reported damage and observed that the plastic in question appeared to have been broken off rather than chewed by an animal.

Deputies advised the subject that the damage did not appear consistent with activity from a wild animal. The subject requested that game wardens be contacted and asked for extra patrol to be conducted at the property. The subject also requested that wildlife warning signs, to include deer and other animals, be placed in the area.

Additionally, the subject advised that the property was overgrown and expressed concerns regarding a rat infestation. The subject requested that the Road and Bridge Department respond to maintain the property. Deputies advised the subject they would remain on the lookout for any suspicious activity in the area.

Deputies then returned to service.
