On 08/08/2026, Sgt. Pope followed up on a reported burglary of a vehicle involving stolen property. Investigation led to 2123 FM 2112, where Linda Lee advised her son, Derek Clinton Ward, had posted the stolen A/C compressor on Facebook Marketplace using her account. Lee gave consent to search the garage, where Sgt. Pope located the stolen A/C compressor, a Craftsman generator with the serial number removed, and a loaded .22-caliber rifle. Ward is a convicted felon with an active Blue Warrant. The firearm is also consistent with the caliber believed to have been used in a previous Deadly Conduct incident where a projectile traveled through a neighbor's kitchen window and struck the back door. The firearm was submitted into evidence for further identification and investigation. The A/C compressor will be returned to the victim. Arrest warrants will be requested for Ward, and the case remains under investigation.
