Sgt. Pope is reporting his county-issued cellular telephone as missing. The cellular telephone had been nonfunctional for an extended period and had previously been reported to (IT) for replacement several months ago. IT subsequently received a replacement device and notified Sgt. Pope approximately one week prior to this report.

When Sgt. Pope attempted to retrieve the replacement cellular telephone, he was unable to locate the device. The missing telephone is a blue Samsung cellular telephone.

Sgt. Pope has been assigned to and has operated several different patrol units over the past several months. It is possible the telephone was inadvertently left inside one of the patrol units or may have inadvertently been placed with an arrestee's property during the booking process.

A search and notification has been conducted as appropriate. There is no further information to report at this time.

Sgt. Pope returned to service.
